

POST PRODUCTION PARTNERS

Future Leap Clifton **Media Studios** are proud to partner with **Films@59** and **18Sixty** for all your equipment hire and post-production needs.

Founded in 1990, **Films@59** has grown steadily in size with sites in both Bristol and Cardiff and collaborative working relationships worldwide. Their Kit Hire and Post Facilities are second to none and they are committed to investing in the people and technologies that enable their clients to create and deliver world class content.

Bristol-based **18Sixty** is an award-winning full service podcast production agency. They work with brands, businesses and organisations to conceive, produce and distribute podcasts, from 'idea-to-ear'. Using their years of experience and their team of in-house and freelance production talent they can help you develop a podcast format that your audience will love.
