ABOUT THE NETWORK

Human activities are causing urgent global climate and ecological crises, requiring **immediate action** to reduce emissions and protect endangered species. Businesses can play a role in addressing these challenges through innovation and collaboration.

Future Leap's Mission is to give organisations the **space, knowledge, contacts, and tools** to accelerate their sustainability journey and progress towards net zero. We do this by showcasing innovative solutions, facilitating future-thinking discussions and encouraging collaboration.

As a member, you gain access to our **community** of individuals and businesses committed to furthering their sustainability journey, with opportunities to connect through a robust networking and events calendar covering a range of sustainability topics. Joining our community signals your **commitment** to advancing towards a better, eco-friendly future.

OUR HISTORY

Established in 2005, the Future Leap Network was an early advocate for sustainability and has evolved into one of the **UK's largest green business networks**, promoting collaboration and innovation across a community of change-makers.

In 2019, we opened our Gloucester Road Hub, the **UK's first carbon-neutral co-working space**. The Hub aims to offer a tangible experience of environmental technologies and progressive sustainability practices. In 2022, we opened our second co-working site, located within the historic Old Chapel in Clifton. This Hub provides **collaborative and creative** space for the growing community with state-of-the-art film, podcast, and photography studios.

Future Leap's Festival of **SUSTAINABLE BUSINESS**

CONFERENCE

EXHIBITION

AWARDS

We find ourselves faced with the most critical challenge in the form of the **climate crisis**, and the actions we take now will have significant repercussions for generations to come. We maintain that **collaboration is key** in achieving a more sustainable future.

The Festival of Sustainable Business, which consists of a **Conference, Exhibition, and Awards Ceremony**, provides a platform for forward-thinking organisations to share and expand knowledge, as well as making valuable connections.

Our network members help to make the festival our biggest event of the year, therefore we offer members **discounted** exhibition fees and awards ceremony tickets.
