networking

Welcomed **2709** attendees

Welcomed **175** speakers

Received a **4.5/5** feedback rating

EVENT FEEDBACK

"Interesting presentations and a superb networking opportunity"

"It was great to get exposure not just at the event but before and after on social media and through Future Leap's website and newsletter"

"It was all just so well organised, a properly well oiled machine (without losing the human touch!)"

"Great to be in such a bright, progressive and energetic space"

EVENT FEEDBACK

"Fantastic event last night, thanks very much for having us and running it so smoothly. I spoke to at least three people/companies who decided to kick off their B Corp journeys as a result of the event which is fantastic!"

"It was a lovely event to be involved with. It was also fascinating to see how well equipped you are for hybrid events. Something we can definitely learn from."

"It was fantastic to gather with like-minded people to see, and learn about, others who are making positive changes in the world."

"I really enjoyed it. It's was really informative and has inspired me to really start thinking more about my business and my story. I've lost a bit of the real reason I started my business and that's ignited that back in me"

EVENT FEEDBACK

"The event inspired me and helped me gain knowledge about different facts or sustainable companies that I didn't know about before - very thought-provoking"

"Good crowd, lots of meaningful conversations!"

"the range of speakers were fantastic and entertaining"

"You've built such a fantastic community and I love being involved. I'll always be grateful for how you supported me in the early days of my business and it's exciting to look back and feel so much more confident about putting sustainability at the heart of everything."

BENEFITS OF SPONSORSHIP

Strong branding in the physical and online event spheres

Prominent speaking slot at the event

Company name, logo and information on event presentation

Influence over the event agenda and speakers

Bespoke introductions to attendees and network members of your choice

Banners and material at the event

Tailored marketing to suit the event audience

Invitation to exclusive Sponsor Drinks annual event

Blog or vlog on our website

Company name, logo, information and links on all event communications

Guest tickets to the event for staff/clients

Carbon offsetting all Network member attendees

EVENT SPONSOR PRICES

£1000 + VAT

Sole Sponsor

£500 + VAT

Shared Sponsor (up to two)

Price on Request

Bespoke Event Management

We want to make our events as accessible as possible, and recognise that the amazing companies we want to collaborate with cannot always afford sole sponsorship.

Therefore, if you would like to share the sponsorship cost with other organisations, you are welcome to do so - the benefits will be the same, but split between the organisations sponsoring.
