

Future Leap Clifton: Welcoming Dogs to Our Community!

At Future Leap Clifton, we love the energy and joy that dogs bring to our space! We know that having our four-legged friends around makes the workday better, and we want to make sure that everyone—humans and dogs alike—feels comfortable and happy.

To keep things running smoothly, we've put together a few simple guidelines for bringing dogs into the hub.

Where Are Dogs Allowed?

Dogs are welcome in **designated areas**, including private offices and the first floor. If you're in a **private office**, the lease signatory will need to approve any furry visitors.

Before You Bring Your Dog

To help us keep track, please **email our reception team** (clifton@futureleap.co.uk) **before bringing your dog** so we can confirm approval. This helps us ensure the space remains enjoyable for everyone.

Dog Owner Responsibilities

To keep the office a great place for all, we ask that dog owners:

- Keep their dog under control and on a lead at all times.
- Make sure their dog is house-trained and well-behaved around people and other dogs.
- Ensure their dog is fully vaccinated.
- Get permission from their employer before bringing a dog into a private office.
- Use a visible sign (e.g., a collar or bandana) if their dog is anxious and prefers not to be approached.
- Clean up after their dog—waste must be taken off-site (not disposed of in office or kitchen bins).
- Cover any costs for cleaning or damage caused by their pet.
- Ensure their dog is comfortable and has access to fresh drinking water at all times.

Keeping Future Leap a Welcoming Space

We're committed to making Future Leap a positive and inclusive environment. If someone feels uneasy around dogs, we'll work to accommodate their needs, and if any issues arise, we'll address them fairly.

If a dog becomes disruptive or isn't settling into the space well, we may ask the owner to take them home for the day—our goal is always to maintain a happy and productive environment for everyone.

A Final Note

By bringing a dog to Future Leap, owners take full responsibility for their pet's behavior. We trust our community to be respectful and considerate so that we can all enjoy a great workspace—paws and all! 🐾 ✨

We're excited to welcome our furry co-workers and appreciate your support in making Future Leap a fantastic place for everyone.
