

Future Leap Parking Policy

1. Purpose

At Future Leap, we are committed to sustainability and responsible use of resources. Our parking policy is designed to promote eco-friendly transportation options while ensuring fair and efficient use of available parking spaces.

2. General Guidelines

- Parking is limited and primarily intended for members and visitors with private offices.
- We encourage alternative transport methods such as cycling, walking, carpooling, and public transport.
- Our parking area includes bicycle racks to support sustainable commuting.
- Members and visitors must adhere to all parking signs and regulations within the premises.

3. Parking Allocation

- Designated parking spots are available for disabled individuals; please display a valid permit.
- Short-term visitor parking is available and should be pre-booked, and a bank card or ID left at reception.

4. Sustainable Transport Incentives

- We offer incentives for those who use eco-friendly transport.
- Secure bicycle storage and maintenance tools are available on-site.

5. Parking Restrictions & Enforcement

- Unauthorized vehicles, including those parked in reserved or restricted areas, may be subject to warnings or removal.
- Long-term vehicle storage is not permitted unless previously approved.
- Members are responsible for ensuring their guests comply with our parking policy.

6. Contact & Support If you have any questions or require special accommodations, please contact clifton@futureleap.co.uk. We appreciate your cooperation in making our co-working space a more sustainable and accessible place for everyone.

Thank you for supporting our sustainability efforts!
